

**Innovation
that excites**

NISSAN **MICRA**

PLAY IT bold and play it smart. With its audacious design, customisable style inside and out, the all-new Nissan MICRA lets you have it **YOUR WAY.**

ALL-NEW NISSAN MICRA
DESIGNED TO RAISE
EXPECTATIONS.

The all-new Nissan MICRA arrives to challenge the compact car standards in design, comfort and performance. With its unique blend of expressive yet premium design inside-out, intelligent features and agile driving characteristics, the Nissan MICRA will turn everything you know on its head. The MICRA revolution has begun.

BRIM WITH CONFIDENCE.

Conceived, designed and engineered to stand out. Featuring a sculpted body with strong and sharp character lines visible from every angle that are hard to ignore. Nissan Intelligent Mobility comes to life in the all-new MICRA through intelligent driving technologies. It's like having a third eye and sixth sense all in one. Nissan Intelligent Driving Systems make your journey safer and more pleasurable.

Blind Spot Warning: Boost your vision: the system will warn you if there are vehicles in the blind spots diagonally behind the car.

Intelligent Forward Emergency Braking: Intelligent Forward Emergency Braking uses radar technology to monitor the vehicle in front of you, and provide audible & visual warnings prompting the driver to react to avoid a possible frontal collision. Upon driver intervention failure, the vehicle will apply braking to avoid or reduce the severity of the collision.

ENGINEERED TO AMPLIFY YOUR COMFORT.

Nissan's brand promise – Innovation that excites – is evident in every part of the all-new Nissan MICRA. With an optimised driving position, ergonomic anti-fatigue seats, convenient access to commands, and maximised noise insulation, the Nissan MICRA brims with confidence.

SPACE TO SHARE AND SPARE.

The all-new Nissan MICRA is designed for living life to the full. So don't hesitate to invite your friends along for the ride. The lowered seating position for driver and front passenger means there's exceptional headroom for taller occupants and it also offers rear passengers with top class shoulder and knee room with plenty space for luggage.

Driver's seat with height and back angle adjustment

Easy to reach steering wheel controls

Sporty adjustable D-shape steering wheel

60:40 rear foldable seats

ROOM THAT BENDS TO YOUR IDEAS.

The capacity of the all-new Nissan MICRA is surprising. Fold down the rear seats to take any extra bags or bulkier objects on board and use all the smart storage spaces for your personal items, including a bucket-type glove box, 1.5L bottle door pocket, seat pockets, cup holders or even the phone-holder with USB/12 V power sockets.

Cup holder smartly located in central console.

Convenient 10ℓ bucket-type glove box to fit your tablet or 2ℓ bottle.

300ℓ BOOT SPACE
Rear seat not folded

1004ℓ FULL BACK
Rear seats folded down

RIGHT ON THE NOSE.

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

COMPLETE THE PICTURE.

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in Drive or Reverse.

SPARE YOUR WHEELS.

In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

BACKGROUND SAVVY.

In Reverse, the display helps you see what's directly behind you, while the overhead view helps with smaller objects that might be hidden below your window.

**NISSAN INTELLIGENT AROUND VIEW MONITOR
WITH MICRA AS YOUR PARTNER,
EVEN PARKING'S A PLEASURE.**

What if parallel parking was easier? A rearview camera and rear parking sensors are great to give you further confidence when backing up – but when it comes to parking, it's nice to see more than just what's directly behind you. That's why the all-new Nissan MICRA's Class-Exclusive Around-View Monitor uses four cameras that give you a virtual 360 degree bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. And since all obstacles aren't stationary (like a shopping trolley). Moving Object Detection helps keep an eye around your MICRA, and warn you about moving objects detected nearby.

NISSAN ADVANCED DRIVE ASSIST DISPLAY
Designed to reduce distractions and make the most of your journey, the Nissan MICRA's high-definition 5" TFT Advanced Drive-Assist Display brings you all the information you need.

EASY CALLS. Open your phone on your display screen and find all your contacts, calls and voicemails directly in front of you. Nothing could be simpler.

VOICE CONTROL. Activate Siri by pressing and holding the voice control button on the steering wheel: it makes keeping in touch even easier - and safer.

PLAY YOUR MUSIC. Find all your tunes at your fingertips - or just tell Siri what you'd like to hear. Listen to your music library, podcasts or digital radio or access your entertainment via your favourite apps.

CONNECTIVITY TO CUSTOMISE YOUR JOURNEY.

Standard with the all-new Nissan MICRA's Display Audio, compatible with Apple CarPlay and Android Auto* it's a smarter, safer way to use your phone while driving. Just plug in to map your route, make a call, send and receive messages and access your favourite music and apps on your 7" colour display - all with your eyes on the road.

YOUR MUSIC. YOUR WAY. Use Bluetooth streaming audio or the USB input to play music directly from your smartphone.

DRIVE WITH AGILITY AND CONFIDENCE.

Whether it's darting through traffic or out on the open road, the all-new Nissan MICRA is an exceptional car to drive. The efficient 66kW Turbo Petrol engine gives you instant acceleration with dynamic performance that is the perfect balance between agility and excitement.

Hill Start Assist (HSA): Holds the vehicle when stationary – without the driver needing to keep a foot on the brake or apply the parking brake.

Intelligent Trace Control: Delivers confident handling around corners. It adjusts the brake pressure on individual wheels to help keep you on an optimal line through turns.

Intelligent Ride Control: Applies subtle braking to prevent unpleasant upper body motion over bumps and enhance the overall comfort of your ride.

~~WE MAKE PROMISES.~~ WE KEEP PROMISES.

INTRODUCING NISSAN ASSURED, IT'S MORE THAN A PROMISE. AS PART OF THE NISSAN FAMILY YOU'RE GUARANTEED OUR COMMITMENT TO CUSTOMER CARE. A LASTING BOND BETWEEN YOU, YOUR VEHICLE AND THE NISSAN BRAND. **THAT'S OUR PROMISE.**

CUSTOMER EXPERIENCE

We promise to make your Nissan experience one to cherish, from your delivery day and everyday after, our commitment is to deliver a service experience you can trust – and believe in.

CUSTOMER SUPPORT

ROADSIDE ASSISTANCE

We keep you on the road 24/7. Should anything unexpected happen we guarantee you 24-hour roadside assistance, no matter the age of your Nissan, because it's still a Nissan. Just call **0800 NISSAN (64 77 26)** anywhere, anytime. Terms and Conditions do apply.

LICENCE RENEWAL REMINDER

We'll remind you in advance so you can keep your licence disk up to date.

3 YEAR OR 90 000KM SERVICE PLAN

For the first 3 years or 90 000km of driving your car, whichever comes first, you can rest easy knowing that our promise to you is a kept one. We'll make sure your car is running smoothly and always on the road.

6 YEAR OR 150 000KM WARRANTY

As long as your car is under our warranty, we'll always have you covered if anything goes wrong. You don't need to stress for the first 6 years or 150 000km, whichever comes first.

SERVICE AND REPAIRS

FREE VEHICLE HEALTH CHECK

We'll give your car a free health check on every major and minor service prior to any work being carried out, so you know exactly what needs to be done, and how much it will cost.

COMPETITIVELY PRICED PARTS

We deliver the highest care for your Nissan by fitting only Nissan Genuine Parts. The expertise of our Nissan trained teams will also guarantee best value-for-money by finding the most competitively priced part for your local dealer.

COURTESY CAR

We will arrange a courtesy car for all warranty repairs should the components required not be available within 48 hours.

Nissan's commitment to the environment
Nissan's environmental philosophy embraces people, vehicles and nature. In the pursuit of a sustainable mobile society, the Nissan Green Program aims to reduce the environmental impact of Nissan vehicles at every stage of the vehicle life cycle, while corporate activities address environmental challenges.

NISSAN'S commitment to quality: to provide all customers with a consistently high level of quality, Nissan applies the standard worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: 1. The expectation of a smooth driving experience with complete peace of mind. 2. The intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. 3. The level of attentiveness and service during the sales process, and long after the sale is concluded.

This brochure has been produced featuring prototype or accessorised vehicles exhibited at motor shows and, in accordance with the company's policy of continuously improving its products, Nissan South Africa reserves the right to change the specification and the vehicles described and shown in this brochure at any time. Nissan Dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan Dealer to receive the most up-to-date information. Due to the limitations of the printing processes used, the colours shown in this brochure may differ slightly from the actual colours of the paint and interior trim materials used. All rights reserved. Reproduction in whole or part of this brochure without the written permission from Nissan is forbidden. Quoted fuel consumption and emission values have been established using the prescribed method of measurement (United Nations Economic Commission for Europe 'ECE' Regulation R101 in the current version) as required under current legislation. This data does not pertain to the specific vehicle and does not comprise part of the offer, but is supplied for the purpose of comparison between the various types of vehicles, in accordance with 1999/94/EC. Driving behaviour / conditions and other non-technical factors contribute towards a vehicle's fuel consumption and CO₂ emissions over and above the determined fuel efficiency of a vehicle.

NISSAN INTELLIGENT MOBILITY

Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that change your EV as you go along. It's all in the very near future. And it's a future already taking shape in the Nissan you drive today.
